To whom it may concern:

Gordon Hotels & Motor Inns Ltd. have used Westland Construction Ltd. since 1996 for all our new construction & renovation projects in our hotels.

As we are in the hospitality business; it is nice to leave the construction projects to the people in the construction industry. Westland Construction Ltd. makes our lives so much easier as the Westland staff have always exceeded our expectations with their work.

We appreciate their knowledge & experience in getting the job completed; in a timely manner & within the established budget.

We have no issues in recommending Westland Construction Ltd. in any construction projects; you may be considering.

Should you have any questions; please do not hesitate to contact me at my office.

Sincerely yours

Larry Jocelyn
President
