Attention Ms. Shannon Ott
Client Care Coordinator

Dear Shannon,

Re: Letter of Reference for Westland Construction

We have worked with Westland Construction on various projects since 1993, including the most recent projects at the University of Manitoba Centre for the Advancement of Teaching & Learning and the Rady JCC Daycare.

Westland Construction's management and staff have always performed in a timely and professional manner and their work as the General Contractor has always met or exceeded our expectations.

A reliable, hardworking and quality oriented general contractor is a key component with regards to the successful completion of projects. It is our opinion that Westland Construction employs all of these principles. We look forward to working with Westland Construction now and continuing into the future.

Yours truly,
MCW/AGE Consulting Professional Engineers

Elliott Garfinkel, P.Eng., MBA
Managing Partner
