

To Whom It May Concern,

Westland Construction was responsible for the construction of the Rady JCC's new child care centre – the David and Ruth Asper Early Learning Centre.

The team at Westland was great to work with. They were professional, responsive and went out of their way to make sure our expectations were met.

The project, which was a renovation of an older building, went very smoothly and the result is fantastic.

Thank you to Westland and everyone who was involved.
