

Westland Construction Ltd.  
Unit 1 - 475 Dovercourt Drive  
Winnipeg, MB, R3Y 1G4

To whom it may concern:

I've had the opportunity to work with Westland Construction on various Pembina Trails School Division projects that have been successfully delivered through their dedicated team.

Westland Construction has always provided us with quality workmanship, professionalism, and a commitment to meeting critical project milestones. They continuously demonstrate their high level of service through their cooperative approach and flexibility to work within the operating parameters of our schools.

I would highly recommend Westland Construction for any future work.

Sincerely,

John Melo  
Assistant Director – Facilities and Operations
